## HOT & COLD THERAPY STONES

Enjoy the benefits of Hot & Cold therapy stones at home. Hot & Cold Stone Therapy is a style of healing in which water-treated stones are placed at specific sites (usually chakras) on your body to promote relaxation and to help open up the meridians (energy pathways).

### Benefits of Hot & Cold Stone Therapy:

*Promotes deep muscle and tissue relaxation.  
Allievates stress. Releases toxins. Relieves pain.  
Improves circulation. Calms the psyche.  
and so much more.*
